

Microsoft

Office 365

Exclusive only to Telstra - TTGroup is happy to provide a new smarter way of buying software

Bring the latest enterprise software from the cloud to your business.

✓ Work from anywhere.

Each user licence can be installed onto 5 computers allowing you to be able to work anywhere at anytime.

✓ Pay as you go.

Only pay for what you need - scalable and flexible. Contracts are for 30 days so you don't have to invest in expensive capital.

✓ Collaborate better.

Boost collaboration with document sharing, online meetings and instant messaging. Works seamlessly with tools you already know and use like Microsoft Outlook and Microsoft Office.

✓ Robust security and reliability.

Provides powerful security to help protect your data. Also comes with 99.9% service availability with service credits if service levels are not met¹.

✓ Stay on top of the latest software.

New software downloads and updates automatically with no extra costs, keeping your business at the forefront of leading software.
